Dear [REDACTED]

Thank you for giving me an opportunity to read your treatise on "Federated World Government" which I have found very interesting.

With reference to your desire to be of service to this Agency, enclosed are application forms and Personal History Statements which it is necessary for all applicants to complete before they can be considered for employment. If you will complete and return two copies of each of these items to Mr. [REDACTED] our personnel officer, your application will be given full consideration in connection with any available vacancies for which your particular qualifications are suited. Mr. McClellan will contact you directly concerning the possibilities.

I am returning your treatise as you requested.

Sincerely,
